

# Love's Tears

[Jon Secada](#)

Lady, don't be discouraged  
As to what we can do, where we can go  
Woman, don't you be worried  
As to what we don't know  
But what the future holds  
So hold on, we can survive  
With destiny on our side  
Love's tears, won't let me cry  
They get in the way of what I feel inside  
There's so much more that I want to show  
But deep in my heart  
Love's tears are drowning me so  
Lady, can you imagine the beauty within  
When tenderness grows  
Tell me is there always a reason  
For all that we do if love's really true

So help us, turn every stone  
Till all our fears are gone  
Love's tears, won't let me cry  
They get in the way of what I feel inside  
There's so much more that I want to show  
But deep in my heart  
Love's tears are drowning me so  
So hold on, we can survive  
With destiny on our side  
Love's tears, won't let me cry  
They get in the way of what I feel inside  
There's so much more that I want to show  
But deep in my heart  
Love's tears are drowning me so
