## Love's Tears

## Jon Secada

Lady, don't be discouraged As to what we can do, where we can go Woman, don't you be worried As to what we don't know But what the future holds So hold on, we can survive With destiny on our side Love's tears, won't let me cry They get in the way of what I feel inside There's so much more that I want to show But deep in my heart Love's tears are drowning me so Lady, can you imagine the beauty within When tenderness grows Tell me is there always a reason For all that we do if love's really true

So help us, turn every stone
Till all our fears are gone
Love's tears, won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me so
So hold on, we can survive
With destiny on our side
Love's tears, won't let me cry
They get in the way of what I feel inside
There's so much more that I want to show
But deep in my heart
Love's tears are drowning me so
