Dedicated To the One I Love

The Mamas & The Papas

While I'm far away from you my baby
I know it's hard for you my baby
Because it's hard for me my baby
And the darkest hour is just before dawnEach night before you go to bed my baby
Whisper a little prayer for me my baby
And tell all the stars above
This is dedicated to the one I love
(Love can never be exactly like we want it to be)I could be satisfied knowing you love me
(And there's one thing I want you to do)
(Especially for me)
And it's something that everybody needsWhile I'm far away from you my baby
Whisper a little prayer for me my baby
Because it's hard for me my baby
And the darkest hour is just before dawnIf there's one thing I want you to do especially for me
Then it's something that everybody needsEach night before you go to bed my baby
Whisper a little prayer for me my baby
And tell all the stars above
This is dedicated to the one I love
This is dedicated (to the one I love)
This is dedicated to the one I love
This is dedicated (to the one I love)
This is dedicated
This is dedicated
