Resolve to Fight

New Medicine

Sometimes I sit and ponder, of all the fucked up things in my life,
Can't make them go away, and not be afraid.I'll have you know I work a 9 to 5,
I finish up and walk right out the door,
When every day's the same,
Not a dollar to my name.And they all waltz around with fancy cars,
And dollar bills waving in my face,
I could careless; I'm not impressed,
Cuz all your smiles are the same.Life really sucks, well I'm alive,
This is the life for me until the day I die.
You may be strong and count on life
But when the night is young, the strong resolve to fight.Pick up the paper, shake my hand, and roll my eyes
Turn on the television, my blood is getting thick
So I write tonight To tell you about the things I can't explain
And I wave goodbye, I'm not standing by, to let you take controlLife really sucks, well I'm alive,
This is the life for me until the day I die.
You may be strong and count on life
But when the night is young, the strong resolve to fight.We carry questions through the night,
When all the answers are denied.
We carry questions through the night,
When all the answers are denied.Sometimes I sit and wonder of all the fucked up things in this life,
I can't pretend I'm right, so I stay and fight.Hey, hey, hey, hey,
The strong resolve to fight.
Hey, hey, hey, hey,
The strong resolve to fight.Hey, hey, hey, hey,
The strong resolve to fight.
Hey, hey, hey, hey,
The strong resolve to fight
