Get It Straight

Spendtime Palace

If something came
Came out of your mouth
Youâ€™d burst in flames
Youâ€™re red and devilish without a doubt
You just canâ€™t refrain

Youâ€™re driving me insane
Donâ€™t disclaim

Youâ€™d be my friend until the end
Just get one thing straight
Youâ€™re not gonna go anywhere
Until you find something better to say

Youâ€™re driving me insane
You shouldnâ€™t complain
