

Shine a Light

McFly

Tell me, are you feeling strong?
Strong enough to love someone
And make it through the hardest storm
And bad weather Will you pull me from the flames?
Hold me 'til I feel no pain
And give me shelter from the rain
Forever Where can I find her? She took the light and left me in the dark
She left me with a broken heart aahhh
Now I'm on my own
If anybody sees her Shine a light on her ahhhhh
Shine a light on her
Shine a light on her aahhhh
If anybody sees her Tell me can you hear my voice?
Loud and clear above the noise
And even if I had the choice
I would not give up Where can I find her? She took the light and left me in the dark
She left me with a broken heart
Now I'm on my own
If anybody sees her Shine a light on her
Shine a light on her
Shine a light on her
If anybody sees her Shine a light on her
Shine a light on her
Shine a light on her
If anybody sees her She took the light and left me in the dark
She left me with a broken heart
Now I'm on my own
If anybody sees her Shine a light on her
Shine a light on her
Shine a light on her
If anybody sees her Shine a light on her
Shine a light on her
Shine a light on her
If anybody sees her
