

# It's My Life

## Kiss

I gotta reputation  
People know who I am  
Rules are made to be broken  
Can't kill what you don't understand  
I see you runnin' scared  
I never knew you cared  
Go and hide your head in the sand  
Been to hell and back  
I survived and that's a fact  
It's my life  
(It's my life)  
And I'll do what I wanna  
Do what I wanna  
Do what I like  
It's my life  
(It's my life)  
And I'll do what I wanna  
Do what I wanna do  
My New Year's resolution  
Is always the same  
Gonna do what I like  
We're gonna do what I want  
'Cause it's just my way, yeah  
I don't live for tomorrow  
'Cause at the end of the day  
Gonna shout it from the roof  
Better face up to the truth  
It's my life  
(It's my life)  
And I'll do what I wanna  
Do what I wanna  
Do what I like  
It's my life  
(It's my life)  
And I'll do what I wanna  
Do what I wanna  
Do what I like  
It's my life  
(It's my life)  
And I'll do what I wanna  
Do what I wanna  
Do what I like  
It's my life  
(It's my life)  
And I'll do what I wanna  
Do what I wanna do, yeah  
Don't need a invitation  
I don't play hard-to-get, no  
Well, I'm fame they claim

I can't be tamed  
You know it doesn't matter  
I swear if I like  
I wear what I wantIt's my life  
(Oh yeah)  
And I'll do what I wanna  
(It's my life)  
Do what I wanna  
Do what I like  
(Oh yeah)It's my life  
And I'll do what I wanna  
(Do what you like)  
Do what I wanna  
(Do it, do it, do it)  
Do what I likeIt's my life  
(It's my life)  
And I'll do what I wanna  
Do what I wanna  
Do what I likeIt's my life  
(It's my life)  
And I'll do what I wanna  
Do what I wanna  
Do what I likeIt's my life  
(It's my life)  
And I'll do what I wanna  
Do what I wanna  
Do what I like
