

Reincarnate

Graham Czach

Come with me now
In skies of blue.
It's only love of you.
The ocean is coming
To take us home, take us...
Back to the sea
We continue the journey.
We continue the journey.Keep waiting
Pain numbing
Colors fade
Pulse racing
Thoughts scatter
Fate facing
Dream chasing.Love is your home(om)
You are home(om)
We are home(om)One more life
You live again
