

Johnny's Love Of Majik

[Matt Costa](#)

Johnny was a good boy and Johnny was my friend
But Johnny had a love for majik that just wouldn't end
No, it just wouldn't end Johnny saw a white owl fly over his head
And Johnny's sister saw the same thing and now she's dead
And now she's dead She put her hands over her eyes and stared into the sun
And when it burned through all her fingers
Johnny's soap box car race was done Maggie was a good girl and she was Johnny's friend
But Maggie had a love for tragedies that just wouldn't end
No, it just wouldn't end
She put here hands over her eyes and stared into the sun
