Out Tonight

Rent Original Motion Picture Soundtrack

What's the time?
Well, it's gotta be close to midnight
My body's talking to me
It says, "Time for danger"It says, "I wanna commit a crime
Wanna be the cause of a fight
I wanna put on a tight skirt
And flirt with a stranger"I've had a knack from way back
At breaking the rules once I learn the games
Get up, life's too quick, I know someplace sick
Where this chick will dance in the flamesWe don't need any money
I always get in for free
You can get in too
If you get in with me
Let's go out tonight
I have to go out tonightYou wanna play?
Let's run away we won't be back
Before it's Christmas Day
Take me out tonight
MeowWhen I get a wink from the doorman
Do you know how lucky you'll be?
That you're on line with the feline of
Avenue BLet's go out tonight
I have to go out tonight
You wanna prowl be my night owl?
Well, take my hand we're gonna
Out tonightIn the evening I've got to roam
Can't sleep in the city of neon and chrome
Feels too damn much like home
When the Spanish babies crySo let's find a bar
So dark we forget who we are
And all the scars of the never
And maybe's dieLet's go out tonight
I have to go out tonight
You're sweet wanna hit the street?
Wanna wail at the moon like a cat in heat?
Just take me out tonightPlease take me out tonight
Don't forsake me, out tonight
I'll let you make me, out tonight
Tonight, tonight, tonight
