Keith B - Real Ii (interlude)

Will Smith

Yeah, this is Keith B Rizzeal
Looks like this brother Will Smith is just avoiding me
But I will not be ignored, you understand

Excuse me, Will, Will one more question, my brother
Look I see you brought your DJ Jazzy Jeff with you now keep it real
Are you just flaunting DJ Jazzy Jeff around for the cameras

So you don't look like some big time
Bougius Hollywood sell out that you really are
Process that along with your hair

Keith, Keith, Keith, yeah, I know, Charlie
Charlie, you [Incomprehensible]
