Pretty Flowers

Steve Martin

If I gave you pretty flowers
If I took you out to dinner
If we walked home by the river
Would you invite me here?If we sat down on the sofa
If I told you funny stories
If I moved a little closer
Would you put your hand on mine?If I told you you were lovely
If I put my arm around you
If I touched you on your shoulder
Would you rest your hand on mine?If I took you out to dinner
If I moved a little closer
And I touched you on the shoulder
Would you make love to me?Ahh...
Mmm...Oh my darling I have loved you
Since you took me out to dinner
Since we walked down by the river
Over 30 years agoWhen you told me that you loved me
I hadn't felt so lovely
Since the day I decided
That I would marry youOh... oh oh oh...
Ooooo...Well I took you out to dinner
And I told you funny stories
And I moved a little closer
And you made love to meIf I gave you pretty flowers
If I took you out to dinner
If we walked down by the river
La la la la la la laOh oh oh oh
Ooooo...La la la la la la
