

# You Are What You Eat

## Fatcat & Fishface

Chorus:

You are what you eat  
It's what you eat you are  
You are, what you eat you are, what you eat you are, is what you eat.  
You are what you eat  
It's what you eat you are  
You are, what you eat you are, what you eat you are, is what you eat.

[poke?] a feast down on a plate  
Plate eats food  
I can't wait

What's for breakfast bacon-head  
Porridge spoon  
Boiled egg.

Chorus

Fell asleep in my lunchbox  
Vegemite  
Or might not  
Frankenfurter fish'n'chips  
Salty dog  
Licka my lips

Chorus

Split the kumura greedy guts  
Leave the apple core  
Chicken pie must say goodbye  
Not mushroom no more

Chorus x2
