

# Send Them Off!

## Bastille

[Intro: spoken]

"It was a slight on my honor, so he deserved it  
'But we're talking about the most brilliant mind this world's ever seen'"[Verse 1]

I've got demons running round in my head  
And they feed on insecurities I have  
Won't you lay your healing hands on my chest?  
Let your ritual clean

[Pre-Chorus]

Soak the ropes with your holy water  
Tie me down as you read out the words[Chorus]

Set me free from my jealousy  
Won't you exorcise my mind?  
Won't you exorcise my mind?  
I want to be free as I'll ever be

Exorcise my mind

Help me exorcise my mind[Verse 2]

Desdemona, won't you liberate me?  
When I'm haunted by your ancient history  
Close these green eyes and watch over as I sleep  
Through my darkest of dreams[Pre-Chorus]

Be the power to compel me

Hold me closer than anyone before[Chorus]

Set me free from my jealousy  
Won't you exorcise my mind?  
Won't you exorcise my mind?  
I want to be free as I'll ever be

Exorcise my mind

Help me exorcise my mind[Bridge]

I should be thinking 'bout nothing else when I'm with you-ou

With you-ou, ohohoh

I should be thinking 'bout nothing else when I'm with you-ou

With you-ou, ohohoh[Intermezzo: spoken]

"Your mind exists somewhere altogether different; it lives in a world where feelings simply cannot be defined  
by words"[Chorus]

Set me free from my jealousy  
Won't you exorcise my mind?  
Won't you exorcise my mind?  
I want to be free as I'll ever be

Exorcise my mind

Help me exorcise my mind  
Help me exorcise my mind  
Won't you exorcise my mind?
