'Till Death Do Us Part

Exodus

There's some that say we won't last
Say that we could never beat the the odds
But we just look at them and laugh
As the pressure surges through our heads so strong
The heavy side of life
Keeps us going day by day
Our enemies we won't forgive
Condemn them to a life of pain[Chorus]
Can't you guess what this has done to us?
It gave us power! It's a way of life!
There's no separation
Total annihilation
Crushing through creation
'Til death do us part!Gathered crushing force of one
Eluding all the basic obstacles
But we're all in this game for fun
So say fuck off to your politics!
We write the songs we want
And spell it out the way it is
Our music is not a front
It's all about the way we live![Chorus]
