

# The Birds Part 1 (Chopped & Screwed by Slim K)

## The Weeknd

Can't you see?  
It won't mean a thing to me  
I've been doing this too long  
Baby girl, I've felt it all  
So watch out  
If you try to play your luck  
Ain't nobody gonna care enough  
To catch you fall So don't you fall in love  
Don't make me make you fall in love  
Don't make me make you fall in love with a nigga like me  
Nobody needs to fall in love  
I swear I'm just a bird  
Girl, I'm just another bird  
Don't make me make you fall in love with a nigga like me  
Like me Girl, you tried  
You tried to warn me  
But baby, I'm warning you  
Girl, I'll show you  
This is no game  
You'll be falling to the point of no return  
No return So don't you fall in love  
Don't make me make you fall in love  
Don't make me make you fall in love with a nigga like me  
Nobody needs to fall in love  
I swear I'm just a bird  
Girl, I'm just another bird  
Don't make me make you fall in love with a nigga like me  
Like me I know you're rolling hard with it, don't lie  
I know it's got a hold of you  
I know you're rolling with it, baby don't you lie  
Baby I know you're rolling hard with it, don't lie  
I know it's got a hold of you  
I know you're rolling with it, baby don't you lie  
Baby So don't you fall in love  
Don't make me make you fall in love  
Don't make me make you fall in love with a nigga like me  
Like me  
'Cause girl I'm just a bird  
I'm just another bird

Don't make me make you fall in love with a nigga like me  
Like me
