

Hey

Red Hot Chili Peppers

Won't somebody come along
And teach me how to keep it alive to survive?
Come along and show me something
That I never knew in your eyes take away the tourniquet I used to be so full of my confidence
I used to know just what I wanted and just where to go
More than ever I could use a coincidence
But now I walk alone and talk about it when I know Hey, oh yeah, how long?
I guess I ought to walk away
Hey, oh yeah, so long
What you gonna do today? I don't wanna have to, but I will
If that's what I'm supposed to do
We don't wanna set up for the kill
But that's what I'm about to do Let it on, I'll cut you off when
You're screaming into the phone, hard to own
Anyway, I wanna let you know
That everything is on hold, what you gonna do to me? You used to be so warm and affectionate
All the little things I used to hear my fairy say
But now you're quick to get into your regret
I'll take the fall and now you got to give it all away Hey, oh yeah, how long?
I guess I ought to walk away
Hey, oh yeah, so long
What you gonna do today? I don't wanna have to, but I will
If that's what I'm supposed to do
We don't wanna set up for the kill
But that's what I'm about to do I don't wanna have to, but I will
If that's what I'm supposed to do
We don't wanna set up for the kill
But that's what I'm about to do Hey, what would you say if I stayed?
Stayed for a while, if I may
Say it again and I'll come around
But not for the last time Hey, what would you say if I changed?
I'll change everything but my name
Play it again and I'll come around, come around
But not for the last time, not for the last time You used to be so warm and affectionate
I used to know just what I wanted and just where to go
And now you're quick to get into your regret
And now I walk alone and talk about it when I know Hey, oh yeah, how long?
I guess you gotta walk away
Hey, oh yeah, so long

What you gonna do today? Hey, oh yeah, how long?
I guess you gotta get away
Hey, oh yeah, so long
What you gonna do today?
