

# The One In the Middle

## The Manfreds

Let me tell you 'bout the Manfreds  
The music that they're puttin' down  
    They started to play  
        On a rainy day  
& the people came from miles around  
CHORUS:  
    They didn't come for the rhythm  
    They didn't come for the beat  
        The people of the town  
        Came just to stand around  
& see the singer lookin' sweet  
Mike Hugg plays the drums, yeah  
Tom McGuiness plays the diamond bass  
    But the one in the middle  
    Sings "Hey diddle diddle"  
    God, he's just a pretty face  
(chorus)  
They couldn't have!  
(instrumental)  
Manfred Mann plays the organ  
    Mike Vickers plays guitar  
& there's a geezer called Paul  
    Who's so thin & so tall  
& sure wants to be a star  
(chorus)(x6): See the singer lookin'...  
    Sweet
