Criticized

Zonata

You always see the bad in me
You always judge before You're thinkingI always do my best to please
I am a servant of Your desiresPlease listen to this song that I have wrote for You my friend
Hope that You like the lyrics that I've wrote for You this time, this timePeople do always criticize
Things they do not understandI've got a message to all of You
Please listen careful what You should do nowPlease listen to this song that I have wrote for You my friend
Hope that You like the lyrics that I've wrote for You this time, this timeI was raised so heavenly
My Brothers stood beside of me
If You decide to follow me
There is Kingdom for You to seeYou always see the bad in me
You always judge before You're thinkingI always do my best to please
I am a servant of Your desiresPlease listen to this song that I have wrote for You my friend
Hope that You like the lyrics that I've wrote for You this time, this timeI was raised so heavenly
My Brothers stood beside of me
If You decide to follow me
There is Kingdom for You to seeI was raised so heavenly
My Brothers stood beside of me
If You decide to follow me
There is Kingdom for You to seeI was raised so heavenly
My Brothers stood beside of me
If You decide to follow me
There is Kingdom for You to see
My friend
