Criticized

Zonata

You always see the bad in me

You always judge before You're thinking I always do my best to please
I am a servant of Your desires Please listen to this song that I have wrote for You my friend
Hope that You like the lyrics that I've wrote for You this time, this time People do always criticize
Things they do not understand I've got a message to all of You

Please listen careful what You should do nowPlease listen to this song that I have wrote for You my friend Hope that You like the lyrics that I've wrote for You this time, this timeI was raised so heavenly

My Brothers stood beside of me

If You decide to follow me

There is Kingdom for You to see You always see the bad in me
You always judge before You're thinking I always do my best to please
I am a servant of Your desires Please listen to this song that I have wrote for You my friend
Hope that You like the lyrics that I've wrote for You this time, this time I was raised so heavenly
My Brothers stood beside of me

If You decide to follow me

There is Kingdom for You to seeI was raised so heavenly

My Brothers stood beside of me

If You decide to follow me

There is Kingdom for You to seeI was raised so heavenly

My Brothers stood beside of me
If You decide to follow me
There is Kingdom for You to see
My friend
