

As Time Goes By

[ZZ Top](#)

You must remember this
A kiss is still a kiss, a sigh is just a sigh
The fundamental things apply
As time goes by And when two lovers woo
They still say "I love you", on that you can rely
No matter what the future brings
As time goes by Moonlight and love songs, never out of date
Hearts full of passion, jealousy, and hate
Woman needs man and man must have his mate
That no one can deny It's still the same old story
A fight for love and glory, a case of do or die
The world will always welcome lovers
As time goes by
