

# #1 Crush (Nellee Hooper Remix)

## Garbage

I would die for you  
I would die for you  
I've been dying just to feel you by my side  
To know that you're mineI will cry for you  
I will cry for you  
I will wash away your pain with all my tears  
And drown your fearI will pray for you  
I will pray for you  
I will sell my soul for something pure and true  
Someone like youSee your face ever place that I walk in  
Hear your voice every time that I'm talking  
You will believe in me  
And I will never be ignoredI will burn for you  
Feel pain for you  
I will twist the knife and bleed my aching heart  
And tear it apartI will lie for you  
Beg and steal for you  
I will crawl on hands and knees until you see  
You're just like meViolate all the love that I'm missing  
Throw away all the pain that I'm living  
You will believe in me  
And I could never be ignoredI would die for you  
I would kill for you  
I would steal for you  
I'd do time for you  
I would wait for you  
I'd make room for you  
I'd sail ships for you  
To be close to you  
To be part of you  
'Cause I believe in you  
I believe in you  
I would die for you
