The Devil Wears Prada

And yet I've been cleansed
(And yet I've been cleansed with the water)
A purity no mind can graspA purity so cool upon my fingertips
The vision that I've seen
this is the action that spawns from the end
For the longest time, I've been watching the world breathe against
What lies here, what lies here
Are mountains composed of
tombstones, tombstones, tombstonesExamine these beautiful faces, keep singing now
Keep singing
Will we push bedlam noise to the state of blissfulness?
Display her beauty to the people
A purity no mind can grasp
