

Woman

Harry Styles

"Should we just search romantic comedies on Netflix and then see what we find?" La la la la la la la la

(whoa) I'm selfish, I know

But I don't ever want to see you with him

I'm selfish, I know

I told you, but I know you never listen I hope you can see the shape that I'm in

While he's touching your skin

He's right where I should, where I should be

But you're making me bleed Woman

Woman

La la la la la la la la

W-Woman

Woman

Woman

Woman

La la la la la la la la

W-Woman

Woman Tempted, you know

Apologies are never gonna fix this

I'm empty, I know

Promises are broken like the stitches I hope you can see the shape I've been in

While he's touching your skin

This thing upon me, howls like a beast

You flower, you feast Woman

Woman

La la la la la la la la

W-Woman

Woman

Woman

Woman

La la la la la la la la

W-Woman

Woman Woman!
