Long black limousine

Michal TuÄ•nÃ½

There's a long line of mourners driving down our little street
Their fancy cars are such a sight to see, oh, yeah
They're all of your rich friends who knew you in the city
And now they've finally brought, brought you home to me
When you left you know you told me that some day you'd be returnin'
In a fancy car all the town to see, oh, yeah
Well, now everyone is watching you, you finally had your dream
Yeah, and you're ridin' in a long black limousine
You know the papers told of how you lost your life, oh, yeah
The party, the party and the fatal crash that night
Well, the race upon the highway, oh, the curve you didn't see
When you're riding in that long black limousine
You're riding in that long black limousine
Through tear filled eyes I watch as you ride by, oh, yeah
A chauffeur, a chauffeur at the wheel dressed up so fine
Well, I never, I never, never, never, oh, my heart, all my dreams
Yeah, they're with you in that long black limousine
Yeah, yeah, they're with you in that long black limousine
Yeah, yeah, yeah, they're with you in that long black limousine
Yeah, yeah, they're with you in that long black limousine
