# So It Goes

## The Verve

Life
Roll my die
Change this life
You said this movie was mine
But now you go and change your mind
This is my life
So it goes
You come in on your own in this life
You know you leave on your own
'Cause I don't need no cause
When my feelings fall
You showed me things I didn't want to see
I don't believe that love is free
Sure fine way to treat a manSo it goes
You come in on your own in this life
And you know you leave on your ownLife
This is my Life
So it goes
You come into this life on your own
You know you'll leave on your own
Life
This is my life
So it goes
You come into this life on your own
You know you leave
I'm just a poor little wifeless fella
I'm just a poor little wifeless fella
I'm just a poor little wifeless fella
I'm just a poor little wifeless fella
Another drink and I won't miss her
Another drink and I won't miss her
Another drink and I won't miss her
Another drink and I won't miss her
