

Scary Films

Katie Melua

Scary films dont scare me
Now that youre around
Since you've been around Nowadays I never cry
When the monster kills the guy
And the psychopathic wife
Kills the husband with a knife Hey baby, thanks for clearing my dreams
Of all those horror scenes
Which crept in uninvited
Im in love and Im so excited
Hey baby, thanks for clearing my dreams Scary films just make me smile
When you are here
When you are here In your arms Im not afraid
When the aliens invade
And the vampires just a joke
Cause I know hes just a bloke Hey baby, thanks for clearing my dreams
Of all those horror scenes
Which crept in uninvited
Im in love and Im so excited
Hey baby, thanks for clearing my dreams Zombies marching through the mist
Make me think of being kissed
And I dont care when peoples heads
End up being torn to shreds Hey baby, thanks for clearing my dreams
Of all those horror scenes
Which crept in uninvited
Im in love and Im so excited
Hey baby, thanks for clearing my dreams
Thanks for clearing my dreams
