

Mansion On the Hill

[Bruce Springsteen](#)

There's place out on the edge of town sir
Risin' above the factories and the fields
Now ever since I was a child I can remember that mansion on the hill
In the day you can see the children playing
On the road that leads to those gates of hardened steel
Steel gates that completely surround sir the mansion on the hill
At night my daddy'd take me and we'd ride
through the streets of a town so silent and still
Park on a back road along the highway side
Look up at that mansion on the hill
In the summer all the lights would shine there'd be music playin' people
laughin' all the time
Me and my sister we'd hide out in the tall corn fields
Sit and listen to the mansion on the hill
