

# Kiss It Better (ANV Man, Fuck Your Pride Mix)

## Rihanna

Kiss it, kiss it better, baby  
Kiss it, kiss it better, baby Been waiting on that sunshine  
Boy, I think I need that back  
Can't do it like that  
No one else gonna get it like that  
So I argue, you yell, had to take me back  
Who cares when it feels like crack?  
Boy you know that you always do it right  
Man, fuck your pride, just take it on back, boy  
Take it on back boy, take it back all night  
Just take it on back, take it on back  
Mmm, do what you gotta do, keep me up all night  
Hurtling bad man, and it hurts inside when I look you in your eye  
What are you willing to do?  
Oh, tell me what you're willing to do?  
Kiss it, kiss it better, baby  
What are you willing to do?  
Oh, tell me what you're willing to do?  
Kiss it, kiss it better, baby Been waiting on that sunshine  
Boy, I think I need that back  
Can't do it like that  
No one else gonna get it like that  
So I argue, you yell, had to take me back  
Who cares when it feels like crack?  
Boy, you know that you always do it right  
Man, fuck your pride, just take it on back, boy  
Take it on back boy, take it back all night  
Just take it on back, take it on back  
Mmm, do what you gotta do, keep me up all night  
Hurtling bad man, and it hurts inside when I look you in your eye  
What are you willing to do?  
Oh, tell me what you're willing to do?  
Kiss it, kiss it better, baby  
What are you willing to do?  
Oh, tell me what you're willing to do?  
Kiss it, kiss it better, baby I've been waiting up all night  
Baby, tell me what's wrong  
Go on and make it right  
Make it all night long

I've been waiting up all night  
Baby, tell me what's wrong  
    Go on and make it right  
    Make it all night long  
Man, fuck your pride, just take it on back, boy  
    Take it on back boy, take it back all night  
    Just take it on back, take it on back  
Mmm, do what you gotta do, keep me up all night  
Hurting bad man, and it hurts inside when I look you in your eyeWhat are you willing to do?  
    Oh, tell me what you're willing to do?  
        Kiss it, kiss it better, baby  
        What are you willing to do?  
    Oh, tell me what you're willing to do?  
        Kiss it, kiss it better, baby  
        What are you willing to do?  
    Oh, tell me what you're willing to do?  
        Kiss it, kiss it better, baby  
        What are you willing to do?  
    Oh, tell me what you're willing to do?  
        Kiss it, kiss it better baby
