

How Much

Mariah Carey

Ooh baby, I don't think you know just, just how much I love you
Have you ever felt lonely when you know you gotta leave me
That's how much I love you Ooh baby, I don't think you know just, just how much I love you
Have you ever felt lonely when you know you gotta leave me
That's how much I love you The way I feel for you, I can't describe
It's almost too intense to verbalize
Essentially you're all I'm living for
Basically each day I need you more and more Have you ever felt so enamored baby
That's how much I love you
All I need in this life you see, is me and my boyfriend
(Me and my girlfriend) Have you ever felt lost when you know you gotta leave me
That's how much I love you
Love is yours and mine till the very end
Just me and my boyfriend Don't underestimate the love in me
It's obvious these feelings run so deep
I fall and fall for you day after day
Nobody else could ever take your place Have you ever felt so enamored baby
That's how much I love you
All I need in this life you see, is me and my boyfriend Have you ever felt lost when you know you gotta leave me
That's how much I love you
Love is yours and mine till the very end
Just me and my boyfriend You're not gonna waste your time and worry
You're not gonna look for reassurance
Clearly you're the only one that's getting this
And sugar, I don't need nobody else But you know honey, I ain't letting go too soon
Because I can't get enough
Why you asking how much?
It's more than you can handle baby Have you ever felt so enamored baby
That's how much I love you
All I need in this life you see, is me and my boyfriend
(Me and my girlfriend) Have you ever felt lost when you know you gotta leave me
That's how much I love you
Love is yours and mine till the very end
Just me and my boyfriend Have you ever felt so enamored baby
That's how much I love you
All I need in this life you see, is me and my boyfriend
(Me and my girlfriend) Have you ever felt lost when you know you gotta leave me
That's how much I love you
Love is yours and mine till the very end

Just me and my boyfriend
Have you ever felt so enamored baby
That's how much I love you
All I need in this life you see, is me and my boyfriend
(Me and my girlfriend)
Have you ever felt lost when you know you gotta leave me
That's how much I love you
Love is yours and mine till the very end
Just me and my boyfriend
