

Abundantly

Avalon

Abundantly

Life, lived in the world of chaos
Leaves me feeling lost and so alone
Oh, I'm searching for a reason to hold on
But I know there's new light with every dawn
Where peace beyond my understanding waits
Through the power of the cross
Christ will give new life abundantly, more than I could ever know
Where amazing is so ordinary
And mercy overflows
Abundantly, and love will open up my eyes
If I'm willing to believe
Christ will give new life abundantly Now I give you my heart completely
It's the only way that I can truly live
Nothing I have found could ever satisfy
Like giving you all of my life oh, no
And thank you for the grace you showed to me
Through the power of the cross
And the love that I receive See, I was looking for a reason
Someone to carry me through, oh yes
But, oh, I found the Lord in you
