

# Endeavour

FaltyDL

A question has come to my mind  
Why do I keep asking myself?  
Where are you heading like a tumbleweed?  
Like a rock that falls down the cliff?  
You are wasting everything!  
I find it hard to believe but youll always have a chance to turn over a new leaf  
Were stuck between our desires  
Were taking hold of ourselves  
But maybe thats not the key  
Thats simply another deadlock  
Another delusion  
We fucked up!  
What if were doomed?  
Whaaaaaaaaaat?  
The outcome is close!  
It will show you the truth!  
I know that sucks to be kept in the dark!  
Were taking hold of ourselves  
But maybe thats not the key  
Thats simply another deadlock  
Another delusion  
We are free!  
We are free to choose and believe in what we want to believe  
And hope that we have one more endeavour! (x3)
