# That's How We Like It!

## Saga

Did somebody change the channel?
I left it on thirteen
The president will explain this all to me
I don't need a fitness trainer
To be all that I can be
This little remote is all I really needThat's how we like it!They target a destination
We watch it disappear
Don't you think it's time we had another beer?
The lines of communication
Are always the first to go
They've done it again
The patriots stole the showThat's how we like it!Chorus:When we get bored
We watch a war on my TV
And I'm surrounded by my friends
And that's how we like it!
When we get bored
We watch a war on live TV
We never know how it will end
And that's how we like it!Repeat Chorus
