

I Remember You

Roxette

Are you ready? Go!
I hear your footsteps like your walking.
I hear your voice like your talking to me.
I can reach every moment, every caress like I'm living a dream
Down to the bone, go little darling.
Oh I remember you, feels like it was yesterday.
I remember you, you've got me running back again
You shared my secrets and my laughter.
I fell in love with the light in your eyes
and I believed that summer would go on and on
for the rest of my life
Down to the bone...
You've got me running.
I say: na na na na na na na na na.
