La La La

Auburn

J.R. yeah

And auburn

La la la la la la la (beluga heights)

La la la la la la la

(break it down)Can't even hang out with friends

Wit' out ya blowin' up my phone

Why you all in my ear

Like where am I and when am I coming home

Why you listening to your friends?

They don't wanna see us be.Boy you better take it slow

Or I'll be history

You've got to give me my space

So quick to calling my name

Boy you better recognize

My love is one of a kind

You drive me up to the ceiling

Boy there's no need for the screaming

You know that you are my world

But I'm sick and tired of theLa la la la la la la

That's all I hear you saying

La la la la la la

Tired of the complaining

La la la la la la la la

La la la la la la la la la

So why you up in my ear? (break it down)So I went out to club

I just wanna have some fun

I guess someone told you

I was with some other boy

Cause when I got back home

Put my foot through the door

All the lights came on

Then came the la la la laYou've got to give me my space

So quick to calling my name

Boy you better recognize

My love is one of a kind

You drive me up to the ceiling

Boy there's no need for the screaming

You know that you are my world

But I'm sick and tired of theLa la la la la la la la

That's all I hear you saying

La la la la la la la la

Tired of the complaining

La la

La la la la la la

So why you up in my ear? (break it down)Lets go

Why you up in my ear?

Why you up in my ear?

Why you up in my ear? ooh.

Why you up in my ear?

Why you up in my ear?

Why you up in my ear? (break it down)La la la la la la la la

That's all I hear you saying

La la la la la la la

Tired of the complaining

La la la la la la la la la

La la la la la la la la la la

La la la la la la la la la la la la (lets go, to the right to the top)
So why you up in my ear?
