

# 9 Lives (Intro)

**Kat DeLuna**

ohhh ohhh ohhh They say a dream is a fantasy,  
For some is just an illusion,  
Sometimes a dream is hard to reach  
Now you see for me a dream is all I had  
It had to be my reality.  
It was my only right out of poverty, and the suffer of life,  
So I could even see my dream far away  
But thank God he use my given talent to help me step up on this big stage where I am going to share and  
showcase my gift and passion for music, Now world here I am  
Come share my joy and listen to the first chapter of me Kat Deluna  
GNB let the southern begin  
9 lives hahahahaha (laugh)
