

Westside Angst

That Dog

What about me, GTE?
Why ya gotta change my 213?
How could you change my MTV
To channel 12 from 24? What ever happened to the Z Channel?
I just can't take it anymore
RIP KMET, God rest your soul KIQQ
I guess you weren't too hip after all Machine Gun Kelly, where are you?
What about me, GTE?
Why ya gotta change my 213?
There's no more Ships' in Westwood now Can't have my toast and eat it too
The closest Ship's is in the 213
I'm 310, and what are you?
