

# I'll Damage You (Eve of Destiny mix)

## Razed in Black

I see the way that you're undressing me  
The evil in your eyes  
Had no idea that you'd ever be  
Insane enough to take on me  
A closet full of tools to hurt you  
Even some that aren't meant to please you  
You say you know' but your innocence left  
When you stared at me and bit your bottom pouty lip  
You throw yourself on the floor for me  
Waiting for me to ride  
Even tie yourself up to the chains  
That the bitch before sucked, fucked, and used me  
Climax with the thought of my skin wrapped against your skin  
In repetition  
Still then you have no idea what you've jumped into  
Inflict the worst of pleasures  
To make it all feel better  
Won't try to tame intentions  
It ain't no use  
Inflict the worst of pleasures  
To make it all feel better  
I've been abused and used  
Don't you think I'll Damage You  
Mie sui ta sasoi kara  
Sei o mukeru no  
Watashi ga hoshii mono  
Chi tsute iru deshou  
Anata no naka no yami sae  
Meiro subete nomi toshite  
Konya ha hanare nai de  
Anata ga hoshii (The temptation for deeper matters comes from your lucid charm  
Don't I turn towards your comfort?  
It's the reason that I want you  
But thoughts keep coming between us, right?  
In the middle of the darkness, you're the only thing that I need  
There's nothing else to help me through this labyrinth  
Tonight, I won't distance myself from your intentions  
You're the one that I need.)  
Inflict the worst of pleasures  
To make it all feel better  
Won't try to tame intentions  
It ain't no use  
Inflict the worst of pleasures

To make it all feel better  
I've been abused and used  
Don't you think I'll Damage You
