Idiot Heart

Don DiLego

I've been waiting for some time
for the sidewalk to come alive
I've got good days and sleepless nights
'cause you and me got lost in timeI was praying for a sign for the tides
to begin to unwind
I was splayed out among the pines
when you and me got lost in timeI've been trying to change my life
I've been trying to do what's right
but my idiot heart won't oblige
and I'll I'll try I'll tryoh wake me up lay me down
oh wake me up lay me down
oh wake me up lay me down
oh wake me up lay me down
oh wake me up lay me down
oh wake me up lay me down
oh wake me up lay me down
