# Draw The Line (yanou's Candlelight Mix)

## Cascada

Tic-tock says the clock on the wall
It tells me everything is wrong
Maybe I lost my dreams along the way
Feels like we're about to fall
Into the shadow I run but lately gravity
Is pulling me back on my feet again
Why don't we say goodbye
'Cause now I know how it feels to live a lie
It's hurting so deep inside, tell me why
Oh, it's breaking me, it's killing me
So I draw the line, mmm, oh
Tic-tock every heartbeat drums
Whenever you're around, baby
Can't seem to chase those clouds away
There's no escape from it all
Into the shadow I run but lately gravity
Is pulling me back on my feet again
Why don't we say goodbye
'Cause now I know how it feels to live a lie
Oh, it's hurting so deep inside, tell me why
Oh, it's breaking me, it's killing me
What if we turned around and walk away right now
Would you cry, would you die a little
Oh boy, I'm about to say goodbye, say goodbye
Whoa, whoa, oh, why don't we say goodbye
'Cause now I know how it feels to live a lie
Oh, it's hurting so deep inside, tell me why
Oh, it's breaking me, it's killing me
Why don't we say goodbye
'Cause now I know how it feels to live a lie
Oh, it's hurting so deep inside, tell me why
Oh, it's breaking me, it's killing me
So I draw the line
I draw the line
I draw the line
