

Lord, Help The Poor Needy

Cat Power

Lord help the sinner man
in this life
lord help the sinner man in this life
we all die together
and we face the rising sun
oh my lord
lord help the poor and needy in this life
we all die together
and we face the rising sun
Oh lord help my lord
lord help the human race
lord help the human race
cuz we all die together
and we face the morning sun
oh lord help
go help the motherless children in this life
ooh lord help the motherless children in this life
because we all die together
and we face the rising sun
