Staring Statues

Thurston Moore

will burn down hate
wait till the day goes brown
in a manic state
state oh magic ride (?)
on a country road
road to nowhere state (?)
no where is go
go to the magic
statues stare
statues stare in no ways
I don't care
I don't wait for no where

I will burn down hate
wait till the day goes brown
in a manic state
state oh magic ride (?)
on a country road
road to nowhere state (?)
no where is go
go to the magic
statues stare
statues stare in no ways
I don't care
I don't wait for no where
