Seek Bromance

XNRG, Francesca Swarbrick

[Dad]
Get the hell out of my house[Son]
(leaves with friends in the car)[Friend]
Are you okay?Ive been watching you
Youve been hurting too
You give all your love
nothing left to show.
I have been there too
Alone in my despair
Watching life go by,
No one whom to share
Boy you got it bad
But I got something good
I will treat you good in every way yeah
You will never feel alone
My touch is such a rush
It over-flows.I will give to you the love you seek and more
Come on Im waiting for you
I will give to you
The love you seek and moreIll get to you the love you seek and more
Your what Im waiting for you
I will give to you
The love you seek and more
(your all I really need)
I will get to you the love you seek and more
So what are you waiting for
Ill get to you the love you seek and moreBaby here we are standing face to face
Just the two of us locked in your embrace
Now I got it bad but you got something good
Wont you treat me good in every way, yeah
Are you ready
I can feel your passion and your love
Oh oh ohhh it overflowsIll get to you the love you seek and more
So what are you waiting for
Ill get to you the love you seek and moreI got love you seek
I got love you seek
I got love you seek
I got loveeIll get to you the love you seek and more
So what are you waiting for

Ill get to you the love you seek and more
(the love you seek, baby, its in me)
The love you seek and more
(your always want baby)
Ill get to you the love you seek and more
