

Try a Little Kindness (2009 Remix)

[Glen Campbell](#)

If you see your brother standing by the road
With a heavy load from the seeds he sowed
And if you see your sister falling by the way
Just stop and say you're goin' the wrong way
You've got to try a little kindness yes show a little kindness
Yes shine your light for everyone to see
And if you'll try a little kindness and you'll overlook the blindness
Of the narrow minded people on the narrow minded streets

Don't walk around the down and out lend a helping hand instead of doubt
And the kindness that you show every day will help someone along their way
You've got to try a little kindness...
You've got to try a little kindness...
