

I Want You to Need Me

CÃ©line Dion

I want to be the face you see when you close your eyes

I want to be the touch you need every single night

I want to be your fantasy

And be your reality

And everything between

I want you to need me

Like the air you breathe

I want you to feel me

In everything

I want you to see me

In your every dream

The way that I taste you feel you breathe you need you

I want you to need me

Like I need you

I want to be the eyes that look deep into your soul

I want to be the world to you

I just want it all

I want to be your deepest kiss

The answer to your every wish

I'm all you ever need

[Chorus]

More than you could know

And I need you

To never never let me go

And I need to be deep inside your heart

I just want to be everywhere you are....

I want to be the face you see when you close your eyes

I want to be the touch you need every single night

I want to be your fantasy

And be your reality

And everything between
