

# Roadkill

## Dubfire

The feel of my arm around your waist  
The pale blue nightdress that you wore oh oh  
Your hair in braids, your sailor top  
The things that I don't see anymore no no  
You lost your suitcase in my hotel room  
A subway token from your mall  
The sun reflecting off the water on your face  
And the way you drove your car  
All these things I can't forget  
Though I don't see you anymore  
Drove to the airport thru' a traffic jam  
A deer lay dyin' in the road  
Maybe I should have seen it as some kind of sign  
Except I don't believe in them no more no no  
But I believe these things, I can't forget  
I don't see you anymore  
Ya, I believe these things, I can't forget  
'Cos I see them, though I don't see you anymore
