

Swallowed (Goldie/Toasted Both Sides Please Mix)

Bush

Warm sun feed me up
I'm leery loaded up
Loathing for a change
And I slip some
Boil away Swallowed followed
Heavy about everything but my love
Swallowed sorrowed
I'm with everyone and yet not
I'm with everyone and yet not
I'm with everyone and yet not Just wanted to be myself
Hey you said you would love to try some
Hey you said you would love to die some
In the middle of a world on a fishhook
You're the wave
You're the wave
You're the wave Swallowed borrowed
Heavy about everything but my love
Swallowed hollowed
Sharp about everyone but yourself
Swallowed oh no
I'm with everyone and yet not
I'm with everyone and yet not
I'm with everyone and yet not
I'm with everyone and yet not
I'm with everyone and yet not
Forward busted knee
Sick head
Blackened lungs
And I'm a simple selfish son Swallowed followed
Heavy about everything but my love
Swallowed oh no
I'm with everyone and yet not
I'm with everyone and yet not
I'm with everyone and yet not
Got to get away from here
Got to get away from here
Got to get away from here
Got to get away from here
I miss the one that I love a lot
I miss the one that I love a lot

I miss the one that I love a lot
I love
