

# Time After Time

## Everything But the Girl

Lying in my bed I hear  
The clock tick and think of you  
Caught up in circles  
Confusion is nothing new Flashback warm nights  
Almost left behind  
Suitcases of memories  
Time after Sometimes you picture me  
I'm walking too far ahead  
You're calling to me  
I can't hear what you've said Then you say go slow  
I fall behind  
The second hand unwinds If you're lost and you look, you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time If you're lost and you look, you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time After my picture fades  
And darkness has turned to gray  
Watching through windows  
You're wondering if I'm okay Secrets stolen  
From deep inside  
The drum beats out of time If you're lost and you look, you will find me  
Time after time  
If you fall I will catch you, I'll be waiting  
Time after time You say go slow  
I fall behind  
The second hand unwinds If you're lost and you look, you will find me  
Time after time  
If you fall I will catch you I'll be waiting  
Time after time If you're lost and you look, you will find me  
Time after time  
If you fall I will catch you I'll be waiting  
Time after time, yeah Time after time, yeah  
Time after time, yeah  
Time after time, oh  
Time after time  
Time after time  
After time, after time
