

# The Take Over, The Breaks Over

## Fall Out Boy

Baby, seasons change but people don't  
And I'll always be waiting in the back room  
I'm boring but overcompensate  
With headlines and flash, flash, flash photographyBut don't pretend you ever forget 'bout me  
Don't pretend you ever forget 'bout meWouldn't you rather be a widow than a divorcee?  
Style your wake for fashion magazines  
Widow or a divorcee?  
Don't pretend, d-d-d-don't pretendWe don't fight fair  
We don't fight fairThey say your head can be a prison  
Then these are just conjugal visits  
People will dissect us  
Til this doesn't mean a thing anymoreDon't pretend you ever forget 'bout me  
Don't pretend you ever forget 'bout meWouldn't you rather be a widow than a divorcee?  
Style your wake for fashion magazines  
Widow or a divorcee?  
Don't pretend, d-d-d-don't pretendWe do it in the dark with smiles on our faces  
We're dropped and well concealed in secret places, whoa  
We do it in the dark with smiles on our faces  
We're dropped and well concealed in secret placesWe don't fight fair  
We don't fight fair  
We don't fight fair  
We don't fight fair  
We don't fight fairWe do it in the dark with smiles on our faces  
We're dropped and well concealed in secret places, whoa  
We do it in the dark with smiles on our faces  
We're dropped and well concealed in secret placesWe don't fight fair  
With smiles on our faces  
We're dropped and well concealed in secret places  
We don't fight fairDon't pretend you ever forget 'bout me  
We don't fight fair  
Don't pretend you ever forget 'bout me  
We don't fight fair
