Inspector Gadget

Just Like Before

Inspector Gadget
Go Mr. Gadget, go that's the name
Spell it out till it don't sound the same
It's the G A D to the G E T
Gadget on the mic wanna rock with meYo, stop that guy with a claw for a hand
Go Mr. Gadget with the master plan
Inspect the scene of the crime
Don't make me, but I'll hit ya with a go Gadget rhymeWhen there's a problem in your town go Gadget now
If your in trouble there's no doubt he'll work it outInspector Gadget, oh
If ya do the crime you're gonna do the time
Inspector Gadget, oh
When he's on the case ya better hide your faceInspector Gadget oh
The city's only savior
Inspector Gadget, oh
He's number oneNow who's that man with a master plan
To bring peace to the land ya gotta understand
Inspector G's the name and law's the game
He's gotta track down claw 'cos the guys insaneAnd so he works downtown as a [Incomprehensible]
Looks kinda funny acts like the clown
But he be gettin' criminals lock them in bars
Go Gadget copter jet propeller carsHe jumps up and out of the seat
And bounces higher with the springs in his feet
You know he'll always be around land or the sky
And you know inspector Gadget is a hell of a guy c'monWhen there's a problem in your town go Gadget now
If your in trouble there's no doubt he'll work it outInspector Gadget, oh
He's gotta badge on his chest and you know he's the best
Inspector Gadget, oh
Anywhere that ya hide Gadget will find yaInspector Gadget, oh
The cities only savior
Inspector Gadget, oh
He's number oneWhen there's a problem in your town go Gadget now
If your in trouble there's no doubt he'll work it outInspector Gadget, oh
If ya do the crime you're gonna do the time
Inspector Gadget, oh
When he's on the case ya better hide your faceInspector Gadget, oh
The cities only savior
Inspector Gadget, oh
He's number oneInspector Gadget, oh
He's gotta badge on his chest and you know he's the best

Inspector Gadget, oh
Anywhere that ya hide Gadget will find yaInspector Gadget, oh
If a city's gonna be safe
Inspector Gadget, oh
He's number one
